Indorama Cotton Imports from Uzbekistan, 2008 to Present

In each of the shipments below, the "Place of Receipt" was Kokand, Uzbekistan, where Indorama Kokand Textile LLC (IKT) houses a spinning facility, producing 100 percent combed cotton compact yarn. While some of the shipments below do not explicitly mention Indorama or IKT, to our knowledge there are no other yarn spinning facilities in Kokand, Uzbekistan. Furthermore, the shipment that mentions Indorama almost exactly matches those that don't.
